

2010 St. Matthew's Charity Christmas Tree Program

The St. Matthew's Charity Christmas Tree Lot is a major annual outreach program raising funds for community-based youth programs, including, but not limited to, Camp St. Andrew's, St. Matthew's After School Tutorial program and other St. Matthew's Youth Group outreach programs.

In an effort to raise funds for these worthy charitable endeavors, once again we will be selling Christmas trees. The net proceeds from the sales of the trees will be donated amongst the organizations shown above. The trees we obtain are grown in Oregon and are cut three days before shipping and emphasize quality at competitive prices.

In order to streamline our operations, the program is making a major effort to take and fill advance orders for trees.

Please take a moment and order your tree TODAY!

- Enter your name, address, your phone and/or e-mail below
- Select the type, size, amount per tree (Please refer to the Price List) and the number of trees you want on the Christmas Tree Order Form Below.
- With your pre-order, we require a deposit of \$25 which will be deducted from your final bill.
- The trees will be available for pick up **November 26th, 27th and 28th and the following weekend, December 4th and 5th. Deliveries will also be arranged on those days.**
- The trees will be available for sale on a first come, first serve basis, the day after Thanksgiving. There will be no sales during the week.
