

St. Matthew's Episcopal Church Charity Christmas Tree Program 2007

The profits from these fresh cut trees will generate funding for charities that will include The San Mateo Police Athletic League, Youth Group Outreach projects, St. Andrews Summer Camp for under privileged children and other related charities that benefit our out reach efforts.

Please sign up for your presale tree purchase with a representative from the Charity Tree Lot, after each service or during coffee hour. Trees will be available the weekend after Thanksgiving, and we will wrap up the final sales the following weekend-first come, first serve. Please pick them up at your earliest convenience or request for our paid delivery service.

Please make your checks out to St. Matthew's Charity Christmas Trees. If you want to leave your check and order in the church office, please do so addressed to Outreach Chair.
